

# No Layoffs: UPS Teamsters Fight Back!

**UPS continues to cry poverty but they made billions in profit during the last peak season. Volume is returning—but UPS wants to cut union jobs and move volume to automated facilities.** Robots are cheaper than humans. They don't require healthcare, raises or pensions. **Sign this petition to demand UPS stop the layoffs.** No job is safe. The petition is just the first step. It's time to fight back!
